

UDDGP Site Visits

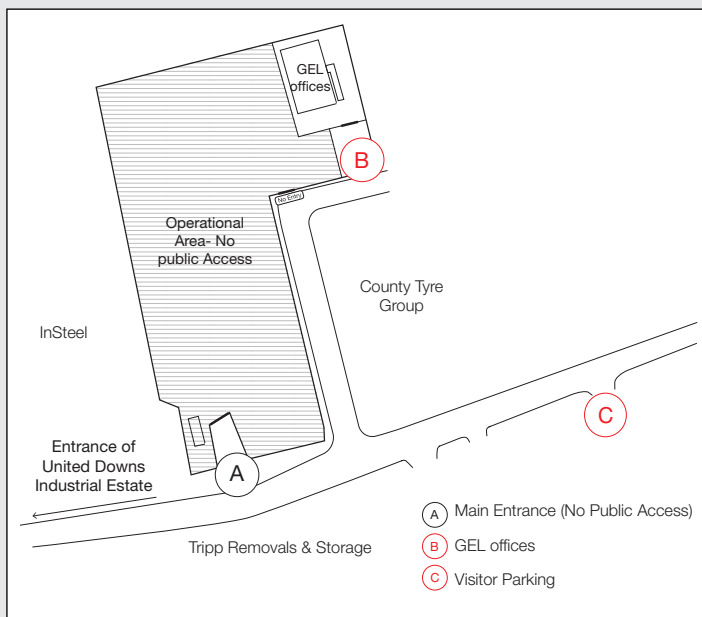

Geothermal Engineering Limited (GEL) has secured funding of £10.6 million from the European Regional Development Fund, £2.4 million from Cornwall Council and £5 million from private investors, to explore the geothermal resources deep beneath Cornwall.

This funding will allow GEL to drill two deep geothermal wells from its site within the United Downs Industrial Estate and build a 1MW - 3MW pilot power plant to demonstrate the technical and commercial viability of supplying both electricity and heat.

Public Drop-in Session

Monday 18th February 2 - 4pm

*No booking required

Drop-in any time between 2 - 4pm talk to a member of the project team, browse the information panels, watch educational and project films and view the rig from our viewing platform.

The map on the left shows the UDDGP site office. Please park at **Gate C** and walk to our site entrance at **Gate B** to enter the office, where our staff will meet you.

If you wish to book a group visit or for more information on the project, please see our website www.uniteddownsgeothermal.co.uk or contact us via the details below.
